SPELLING

menu

PATTERN:

Create a List

Write each of your spelling words one time. Then add at least 10 more words that follow the same spelling pattern.

Pyramid

Create a pyramid with your spelling words.

Ex: c
ca
cat

ABC Order

Write each of your spelling words in alphabetical order.

Syllable Breakdown

Write each of your spelling words once. Next to each word, write the word again broken into separate syllables.

Vowel Roundup

Write each of your spelling words one time. Then circle the vowels in each word.

Word Processing

Type each of your spelling words on the computer. Then print or email them to me.

Magazine Words

Spell each of your spelling words once by cutting out letters from a magazine. Glue your words to a sheet of paper.

Valuable Words

Write each of your spelling words once. Then determine how much each word is worth. Write the value next to each word. A=1, B=2, etc.

Story

Write a story with at least 10 of your spelling words. Then circle or highlight each spelling word.

Asking Sentences

Write asking sentences using each of your spelling words. Asking sentences end in a question mark. Then circle or highlight each spelling word.

Free Choice

Create your own activity. Describe what you did:

Word Sort

Create your own word sort and categorize each of your spelling words based on the spelling pattern

Reverse ABC Order

Write each of your spelling words in alphabetical order. Then rewrite each of your words in reverse order.

Parts of Speech

Write each of your spelling words once. Next to each word, write the part of speech: noun, verb, adjective, adverb, etc.

Silly Sentences

Write silly sentences using each of your spelling words. Then circle or highlight each spelling word.

I Spy

As you read a book or magazine article, locate your spelling words and create a list.
